One Team, One Dream!

## Reminders

**Monday, 2/1**

Light & Sound In-house Field Trip

**Tuesday, 2/2**

PTA Sponsored Performance 9AM:  
"Buttons for General Washington"  
Talent Show Auditions 3:30PM

**Saturday, 2/6**

Winter Carnival 1:00!

SAVE THE DATE...

JOIN YOUR FRIENDS  
FOR THE  
LCE WINTER CARNIVAL  
FEBRUARY 6, 2016

**Monday, 2/8**

Revolutionary War Bottle Person Due

**Monday, 2/15**

Student Holiday

Please check your child's Friday Folder each week. Review and sign the conduct card. All tests should be corrected by student, signed by parent, and returned.

## Letters Home

Please remember to read your child's letter and write back. The students love reading your letters each week!

## Specials Next Week

Music, Art, PE, Spanish, Technology

Happy Birthday, Evan!

## Our PAW- Terrific Week in Review!

**Language Arts** – This week students finished writing and typing their Revolutionary War newspapers. Students completed biographies, editorials, and advertisements. We also read a fictional story called The Great Hodji and wrote about a time we created a "Win-Win" situation by helping ourselves while helping another person at the same time. We began reading the award winning, quirky novel, Holes, by Louis Sachar.

**Math**- We reviewed many of the standards from the 1st and 2nd Quarters of school. Students enjoyed playing "Trash Math Basketball" and "Around the World" to review skills. We had an introduction to our next unit, Decimals. Please remember e-class has many great links to practice math skills.

**Social Studies**- It was another great week of unfair taxing, protesting, boycotts, and finally a Declaration of "Kid" Dependence from the colonists! The students learned a great lesson, and we are all very happy to go back to a democratic classroom with rules we can all agree on.

**Science**- Students explored Sound with some online interactive sound activities to review amplitude, frequency, pitch, and volume. We performed a couple of fun experiments to prove that sound vibrations can make things move!

## A Peek at Next Week

I can...

**Language Arts** - write informative/explanatory texts to examine a topic and convey ideas and information clearly. – refer to details in a text to explain what the text says explicitly and when inferring.

**Math** – write, model and express fractions with denominators 10 or 100 as decimals.

- read, write, order, and compare place value of decimals to hundredths.

**Social Studies** - determine the significance of the following events in influencing the outcome of the American Revolution: Battles of Lexington and Concord, Battle of Bunker Hill, Valley Forge, Battle of Trenton Battle of Saratoga, Battle of Yorktown, and Battle of Kettle Creek.

- explain the significance of key figures in the American Revolution.

**Science** - demonstrate how sound is produced and how it can be varied by changing the rate of vibration.

-define sound as a form of energy
