Wednesday, 5/25

Last Day of School!

Ice Cream Sundae Celebration

Wear Class NERDS T-Shirt

Please check your child's Friday Folder each week. Review and sign the conduct card.

Our PAW- Terrific Week in Review!

Language Arts- I have been individually testing the students' reading skills for their End-of-Year reading levels. This process will take a couple of weeks to complete. The students have done an amazing job increasing their fluency and comprehension levels! The students also had their End-of-Year Writing Test. They wrote beautiful letters to either Harriet Tubman or Sojourner Truth! In between all of this, the students have been working on their autobiographies.

Math- We continued to review all of our 4th grade math AKS. Students were happy to take their last Math Unit Test for 4th grade! This gave us the opportunity to play some fun math games to review measurement.

Social Studies- We learned how our country grew from the original 13 colonies to the current 50 United States of America. We also reviewed some economic concepts, such as consumers and producers, scarcity, goods and services, and the importance of having a budget.

Science- Students learned the difference between inherited behaviors and learned behaviors in animals. We played Kahoot-It! and Quiz Bowl to prepare for today's Adaptations Unit Test and our upcoming Science District Assessment. Please practice with Quizlets over the weekend.

Letters Home

Please remember to read your child's letter and write back to them. The students love reading your letters!

Specials Next Week

PE, Spanish, Tech, PE, Music

Happy Birthday Matthew!

A Peek at Next Week

Students will be taking their end of the year Gwinnett County District Assessments next week at 9:50AM.

Monday- Science

Tuesday- Language Arts

Wednesday- Social Studies

Thursday- Math

Please have your child wear his/her NERDS t-shirt on Tuesday for an updated class picture of The Dream Team!
