Reminders

Wed-Thurs, 9/23-9/24

Early Release 12:50PM

Lunch in classroom 11:00AM

Book Fair Buying Day 12:00 PM

Wednesday, 10/7

Picture Day 1:28PM

Students should be practicing Science, Social Studies, and Wordly Wise on The Dream Team Quizlet.

Please remember to check your child's Friday Folder each week. Review and sign the conduct card. All tests should be corrected, signed by parent, and returned.

Our PAW-rific Week In Review!

Language Arts – This week we wrote quick personal narratives in our Writer's Notebook about various topics, reviewed vivacious verbs, the prefixes im- & in-, and possessive & plural nouns. The students are doing a great job turning boring sentences into "Beautiful Sentences," and they are writing excellent summaries on eclass!

Math- Students are learning how to estimate sums and differences by rounding large numbers **before** computation. We are also learning how to write expressions using unknown variables. We began multiplying multi-digit numbers to preview our next unit. Thank you for helping your child with their math homework.

Social Studies- We began our unit on European Explorers with a lesson on what it means to be an explorer and the limited technology we had in the 1400s to assist in exploration. Students began working in teams to research an assigned explorer. We will continue our research next week and make posters to present to the class next week. This project will be completed at school, but students can print pictures and maps at home to add to their poster.

Science- We are learning how to read a weather map. Students learned about fronts and the various symbols meteorologists use to forecast the weather.

Letters Home

Please remember to read your child's Friday letter and write back.

Specials Rotation Next Week

Art, PE, Spanish, Technology, PE

Conferences

You can sign up for a conference through http://www.ptcfast.com/schools/Level_Creek_Elementary
If you do not see a time that works for you, please let me know.

Please bring your child with you to the conference.

Happy Birthday Grace N!

We wish Romeo a fond farewell and best wishes at his new school in Lawrenceville!

A Peek at Next Week

I Can...

Language Arts –locate specific details in a story to help me describe a character, event, and/or setting.

Math – find strategies to add and subtract large numbers.

- estimate when adding and subtracting large numbers.
- make sense in word problems and persevere in solving them.

Social Studies – describe reasons for, obstacles to, and accomplishments of the Spanish, French, and English explorations of John Cabot, Vasco Nunez Balboa, Juan Ponce de Leon, Christopher Columbus, Henry Hudson, Jacques Cartier.

Science – explain the difference between climate and weather, and identify Earth's climate zones.

-identify six instruments scientists use to measure weather and tell what each one measures.
