Thank you for sending in a healthy snack for your child each day.

Letters Home

Students were very excited to write their very first letters to you as fourth graders! They will be writing to you every Friday in their composition notebook labeled "Letters Home." The first letter your child wrote was without any assistance from me. You will be amazed at the progress your child makes as the year goes by. Please read your child's letter and write back to them each week. The "Letters Home" notebook can be found in your child's Friday Folder. Students are looking forward to reading your letters in class every Monday!

Please don't forget to write back.

Our PAW-rific Week In Review!

Fourth graders are INCREDIBLE! They came to school with big smiles and were eager to get started. What an AMAZINGLY BUSY first week we had! Our days were packed with learning and fun! We took many opportunities to get to know one another and made new friends. Our focus this first week was to learn about our classroom procedures and the expectations for behavior & work habits.

I am very excited about the new school year and look forward to working with this wonderful group of children. We have already started our first units in Math, Science, Social Studies, and Writing.

Our Curriculum Night is scheduled for Thursday, 8/19. I hope you will join us because I do have a lot to share with you, and I am sure you have many questions.

I greatly appreciate your support and thank you in advance for all your assistance this year. Together, we can ensure a successful year for your child!

Writing Binders

Students are coming home with their new Writer's Notebook (binder) this weekend. They have 2 pieces of cardstock. One is for photographs and the other is to make a creative cover for their notebook. Please have them finish by next Friday. The notebook will need to come back to school every day. Once the students complete their cardstock designs, the notebooks will stay at school.
